Wins FAW art

During the Warren County Outdoor Show at the Warren Mall Jan. 11-12, Friends of Allegheny Wilderness raffled a beautiful, professionally matted and framed photo of the Allegheny National Forest titled "Evening Fawns, Morrison Run." The photo had originally appeared in the "Picturing Wilderness" show at Warren's Cray Art Gallery during the summer of 2007. On Jan. 12, Linda Snyder's name was randomly drawn out of the more than 60 people who had stopped by the FAW booth to enter the contest. John Papalia, chairman of the Warren County Outdoor Show, performed the honors of drawing the winning name. Pictured, long-time FAW board member Ron Simonsen of Warren is shown delivering "Evening Fawns, Morrison Run" to Linda at her home.
